

# GME TX6165X 5/1 Watt IP67 UHF CB Handheld Radio

SKU: ANT-GM-00041

MPN: TX6165X

## Description

The GME TX6165X is a versatile UHF CB handheld radio designed for both professional and recreational communication. With its robust 5/1 watt switchable transmission power, it ensures clear and reliable communication over various distances, making it ideal for use in industries such as construction, logistics, and outdoor adventures. Its IP67 rating certifies it as dustproof and waterproof, allowing it to withstand harsh environmental conditions, ensuring durability and longevity. The radio is equipped with a large, high-contrast LCD display and a 2-watt speaker, providing clear audio and easy readability, even in challenging conditions.

The TX6165X incorporates advanced features like VOX hands-free mode and a built-in LED torch, enhancing its utility in hands-free operations and low-light situations. The user-programmable button and priority channel function allow for customisation and quick access to essential features. With up to 30...
