

# GME TX6165XO 5/1 Watt IP67 UHF CB Handheld Radio - Blaze Orange

SKU: ANT-GM-00042

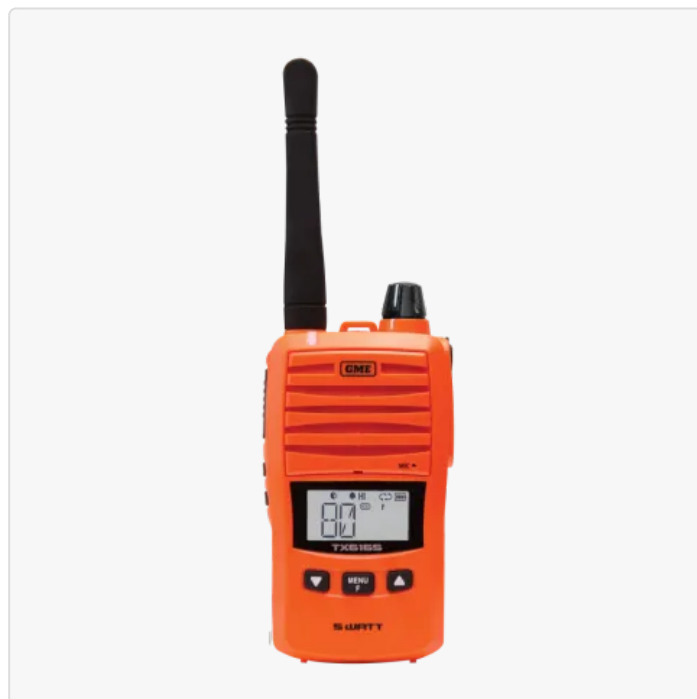

MPN: TX6165XO

## Description

The GME TX6165XO is a handheld UHF CB radio designed for reliable communication in various environments, particularly harsh Australian conditions. It offers switchable transmission power between 5 and 1 watt, making it versatile for both short-range and extended communication needs. The radio is equipped with a large, high-contrast LCD display and a powerful 2-watt speaker, ensuring clear audio and easy readability in diverse lighting conditions. Its robust IP67 rating certifies it as water and dustproof, ideal for outdoor and industrial applications where durability is crucial.

Key features include VOX hands-free operation, a built-in LED torch, and a user-programmable button, enhancing usability and functionality in challenging settings. The TX6165XO also supports dual and triple watch modes, allowing users to monitor multiple channels simultaneously, which is beneficial for coordinating activities or managing emergencies. With up to...
