

GME TX6165XY 5/1 Watt IP67 UHF CB Handheld Radio - Yellow

SKU: ANT-GM-00043

MPN: TX6165XY

Description

The GME TX6165XY is a robust handheld UHF CB radio designed for seamless communication in challenging environments. It offers a switchable transmission power of 5/1 Watts, making it versatile for both short and long-distance communication. This radio is particularly suitable for outdoor enthusiasts, construction workers, and emergency services who require reliable and clear communication in remote or rugged areas. Its IP67 rating ensures water and dust resistance, providing durability in harsh conditions. The device features a large, high-contrast LCD display for easy readability, even in bright sunlight. A 2 Watt speaker ensures loud and clear audio output, crucial for noisy environments. The TX6165XY includes a user-programmable button, allowing customisation for quick access to frequently used functions. Additionally, VOX hands-free mode facilitates convenient communication without manual operation. With up to 30 hours of battery...
