

RG-402 Patch Cable N Male to SMA Male Low PIM 50cm

SKU: ACC-PT-00305
 MPN: CA-R402-N1SA1.050
 Barcode: 9337692002526

Description

The RG-402 Patch Cable, featuring N Male to SMA Male connectors and measuring 50 cm, is engineered by Powertec for superior RF performance. Designed with Powertec’s PSF-402 Series coaxial cable, this 0.141" semi-flexible cable offers low loss and supports frequencies up to 34 GHz, making it ideal for efficient component interconnection. Its bright blue 4.2 mm outer jacket is not only visually distinctive but also highly durable, preventing solder joint failures and allowing flexibility with bends directly behind the fillet.

This cable boasts nearly 100% RF shielding thanks to its tin-soaked copper braid, and it is hand-formable, making it suitable for microwave-grade applications with mode-free operation up to 34 GHz. The RG-402 is known for its low Passive Intermodulation (PIM) with a 3rd Order PIM rating of -120 dBc, ensuring optimal signal integrity. It accommodates over 500 mating cycles, ensuring long-term reliability.
