

RG-402 Patch Cable SMA Female to QMA Male Right Angle 50cm

SKU: ACC-PT-00366
 MPN: CA-R402-SA2QA1RA.050
 Barcode: 9337692002564

Description

The RG-402 Patch Cable, model ACC-PT-00366 by Powertec, is a high-performance coaxial connector designed for efficient RF applications. With a length of 50 cm and weighing 63 grams, this cable features an SMA Female connector with a straight body and a QMA Male connector with a right-angle body. The cable's PSF-402 type, a 0.141" semi-flexible low loss coaxial cable, is designed with a bright blue 4.2 mm outer jacket, enabling use in applications up to 34 GHz.

The PSF-402 series offers hand-formable, microwave-grade flexibility with mode-free operation. It ensures excellent RF shielding, thanks to its tin-soaked copper braid, and eliminates solder joint failures due to its malleable jacket. This cable supports a frequency range of 0 to 6 GHz and has a 3rd Order PIM rating of -120 dBc. It withstands over 500 mating cycles, making it durable for repeated use.

Performance is highlighted by a VSWR of $\leq 1.2:1$ at 3000 MHz and $\leq 1.5:1$ at 6000...
