RF Adapter SMA Female to RP-SMA Male, Right Angle

SKU ACC-BH-00071 MPN AD-SA2RSA1-RA Barcode 9337692004759

Description

The Powertec RF Adapter, model AD-SA2RSA1-RA (SKU: ACC-BH-00071), is a high-quality SMA Female to RP-SMA Male adapter featuring a right-angle design. Constructed from brass with a gold-plated finish, it ensures optimal conductivity and durability. The inner contacts are made of phosphor bronze, also gold-plated, and the PTFE/Teflon insulator provides excellent thermal resistance.

This adapter operates efficiently across a frequency range of 0 GHz to 6 GHz with an input impedance of 50 Ω , making it ideal for various RF applications. It is designed to withstand extreme conditions, operating within temperatures from - 65 °C to 165 °C, and meets rigorous MIL-STD-202 standards for thermal shock, corrosion, vibration, shock, and moisture resistance.

The right-angle, free-hanging connectors facilitate easy integration into complex assemblies, offering reliable performance with a VSWR of \leq 1.3:1 at 6000 MHz. As a trusted name in wireless...

Powertec

Powertec is a wireless technology manufacturer and systems integrator based in Australia. Operating since 1995, Powertec has grown to become the leading wireless technology distributor in its region, and a leading Infratech systems developer. Supporting over 1500 partners the company provides procurement, design, project management, and support services across Australia, New Zealand, Pacific ...

RF Connector Interface

RF Interface Body Shape Mounting

RP-SMA Male Right Angle Free Hanging
SMA Female Right Angle Free Hanging

RF Specification
