

Telegartner RG-214 Coax-Cable, 100+-1m Ring

SKU: ACC-TG-00016

MPN: 100012857

Description

The Telegartner RG-214 Coaxial Cable (SKU: ACC-TG-00016) is a robust 50 Ω cable designed for high-frequency telecommunications, including broadcast, UHF, and military applications. With a length of 100 m and weighing 2.07 kg, this RG-214 cable offers superior performance compared to standard RG-213 cables, thanks to its large centre conductor and double shielding. These features ensure low attenuation and reliable operation up to 11 GHz.

This cable is engineered for durability, capable of withstanding multiple mating cycles, and meets RoHS compliance standards. Telegartner, a renowned German brand established in 1945, has a strong reputation for producing high-tech telecommunications components. Their extensive experience and international presence highlight their commitment to quality and innovation in cable assembly and related technologies.

Choose the Telegartner RG-214 for its enhanced frequency support, improved attenuation, and...

RF Specification

Physical Specification

As family-owned company the Telegartner Group has developed to an international network of affiliated companies specialising in intermediate and end products for telecommunications and data communications for customers with the most exacting demands for high-tech applications over the last 70 years.

Since the company was set up in 1945 Telegartner has seen steady growth and has continually expanded ...

Subtype:	Cable Reel	Length:	100 m
Compliance/Certifications:	RoHS	Weight:	2073 g

RG-214

Min. Frequency:	0 GHz	Max. Frequency:	11 GHz
Impedance:	50	Shielding Effectiveness:	> 75 dB
Min. Bend Radius Static:	40 mm	Colour:	Black
Attenuation @ 1 GHz:	0.24 dB/m	Weight (g/m):	207.3 g

Cable Layers

Layer	Diameter	Materials	Notes
Inner Conductor	2.25 mm	Silver Plated Copper (SC)	7x0.75
Dielectric	7.24 mm	Polyethylene (PE)	
Outer Conductor	7.90 mm	Silver Plated Copper Braid	
Outer Conductor	8.50 mm	Silver Plated Copper Braid	
Outer Jacket	10.80 mm	Polyvinyl Chloride (PVC)
